INSTRUCTIONS

1. Any municipality which has enacted **special weight limits**, which are other than state legal limits for highways or bridges within its jurisdiction, shall file a complete copy of the limitations with the department of motor vehicles not later than February 10 of each year. The information filed shall contain a concise listing of each highway or bridge posted. The time of year the restrictions apply, weight limitations in effect on that highway or bridge, and the name, address and telephone number of the principal person or persons responsible for issuing the local permit. Additions or deletions to the listing may be made from time to time, as required, by filing with the department.

State Limits Are:

- a. Sixteen thousand pounds upon any bridge with a wood floor, wood sub-floor or wood stringers on a class 3 or town highway or twenty thousand pounds on a bridge with a wood floor, wood sub-floor or wood stringers on class 1 or 2 town highway unless otherwise posted by the selectmen of such town.
 - b. Twenty-four thousand pounds upon a class 2, 3, or 4 town highway or bridge with other than wood floor, in any town, incorporated village, or city.
 - c. No vehicle may exceed a gross weight in excess of eighty thousand pounds unless the operator or owner of the vehicle has complied with the provisions of section 1400 of this title.
3. This form must be filed by February 10th of each year.
4. If you have **questions** regarding the form or permit process, please **contact DMV at 802-828-2064**.
